Wheelchair Accessibility

Our clinic has a step-free ground floor entrance, and a lift to the lower ground floor level. Please contact us in advance so that we can make useful arrangements prior to your visit.

London Underground

Our clinic is a five-minute walk from Oxford Circus underground station.

TfL Buses

The nearest TfL bus stops are RE/RF on Regent's Street, and OJ/OP on Oxford Street (each is less than five minutes' walk away).

Parking

On-street parking is available in the general vicinity, including Wells Street, Margaret Street and Eastcastle Street.

The RingGo app is used to pay for on-street parking and to identify parking locations.

Q-Park Oxford Street car park, which is situated underneath Cavendish Square Gardens, behind John Lewis store, offers underground parking that can be prebooked.
